Syndicate Day — Resounding Success!

Our big syndicate day at Cranbourne last month was a resounding success and with a full house of 180 people attending, the day went off without a hitch. I must say that it is rare that such a day goes to plan but Cranbourne's Executive Assistant, Helen Flanigan, went to great lengths to cover off everything and to ensure that a great day was had by all and from all the positive comments that Lauren and I received on the day it is fair to say that we will be looking to Cranbourne again next year to host our day. The Punter's Club tipsters of Cameron O'Brien (from Expert Form) and Paul Richards (from

Winning Post) had a tough gig with a number of outsiders winning on the day but promised to make amends at next years event! All the televisions were drawn on the day and the lucky winners were as follows:

Ready for Spring — Vahan Tchilinguirian

Dashym — Phil Bourke

Ready Made Family — Denis Glenn

Princess Carolina — Mark Power

Choisir/Cleobelle colt — Anthony Rogers

Royal Academy/Parlour Games filly — Kevin Wise

Bel Esprit/Sumara filly — Paul Senior

Congratulations to all of the above! And special thanks to Paul Mitchell who kept everyone entertained with his comments on how the Punter's Club was performing (badly!) and who was leading in the tipping competition which unlike the Punter's Club did have a winner. Well done Paul!

Stable News

While on the track it has been quiet through June and July, **Bella's Bro** continues to add to his prize money. The 4YO's most recent run at Cheltenham Park in South Australia was full of merit finishing second. He has now won over \$46,000.00 for connections and maintains his consistent record which currently stands at 13 starts for 4 wins, 4 seconds and one third. The winter will see him shortly spell if the rain comes and will be reserved for dry tracks later in the year.

Our big General Nediym 2YO **Dashym**, has come back into Mick's stables looking terrific and will be ready in about three weeks. Dashym has a win over recent black type winner Discorsi (trained by Lee Freedman) so this syndicate has every reason to be optimistic about this guy's campaign.

Trivia Night!

For those trivia buffs looking for a good night out, my son's basketball team has made the Nationals that are to be conducted in Tasmania in September and as a fundraiser are running a Trivia Night in Berwick on 12th August. This is an excellent evening and anyone interested in joining Lauren and myself to help make up a table of 10 would be most appreciated. The cost of the tickets are \$15.00 and further enquiries can be made to either Lauren or myself.

Names — Super Choi and Belara!

Congratulations to David Evans for his submission of **Super Choi** as a name for our Choisir colt which was recently approved by the AJC and to Paul Breen, Damien Farrell and Kevin Wise for choosing the popular **Belara** for our Bel Esprit filly. The Royal Academy filly names have also been submitted and we await her name to be allocated. I will advise this in due course.

Other horses ready to be stepped up include **Ready for Spring** and **Ready Made Family**, while our babies are also due to resume with John Stocker in the next few weeks.
