Ready Made Family Wins at Kilmore!

Kilmore Race Track

Congratulations to all of Ready Made Family's owners on the terrific win of the filly at Kilmore on Sunday 15th October. The filly was annoyed most of the way by Moxie For Mine before drawing away to win by 2 lengths in nice time. She lived right up to the promise she showed at Bendigo where she ran fourth (behind three subsequent city winners) and it was terrific to see such a turnout of owners

with some coming from as far as Bega to enjoy the win. She followed up her win with a second at her next run, again at Kilmore and with some excuses there, has now been put away for a spell. There is no doubt she will come back a nicer filly next time in and there appears plenty of upside to her and future wins in store for her large band of enthusiastic owners!

Web Site To Be Launched Very Soon!

Our long awaited web site is well under construction and will be available for viewing prior to the upcoming yearling sales in early January 2007. The web site will become an important marketing tool, used to showcase our yearlings that we purchase at the sales next year. It will also be used to update members on all the important news items that arise and will take the place of newsletters, which has been cumbersome and is often old news by the time it has been sent and received.

The news section of the web site will be

regularly updated to provide the most up to date news and to keep members informed on all aspects of United Syndications. It is hoped that the web site will raise our profile and allow us to continue on with the planned expansion with our syndicate trainer Mick Price who is quietly increasing his via his two Group 1 winners this year in Perfectly Ready and Red Dazzler while his other stable star Pompeii Ruler ran out of his skin in the Cox Plate to finish third. More news will be released regarding the web site in next month's newsletter.

Shares For Sale

Members are advised that the share in Princess Carolina advertised in last month's newsletter has been taken however, for those who may be looking for a small interest there are two tenths of one share available in our Royal Academy two-year-old Royal Charades for a very nominal amount. This is a lovely well grown filly, who is just about ready to enter Mick's Caulfield stables for her first look at city life. She has done everything right over the last 10 months since we purchased her at the Gold Coast Magic Millions and remember our last Royal Academy syndication was the dual group winning filly La Bella Dame! Anyone interested can please contact myself or Lauren for further details.

Stable News

Macedon Lodge pre-training facility

Last Waltz will become our next runner and will most likely head for the Valley on Friday 17th November to contest a mare's event over 1200 metres. She has come back really well and is a horse to follow during this prep as she has come back a very settled and mature mare.

Not far behind her comes **Bella's Bro** and **Princess Carolina** who are both just about ready to enter Mick's and will be due to race around Christmas. **Bella's Bro** will be looking for some more city success, while it is hoped **Princess Carolina** can measure up after being a bit on the immature side when she first ran at Mornington in June.

Dashym returns to pre-training early December after his three month enforced spell and given a bit of time this now three-

year-old is anticipated to get back to the track around the end of February to race, while **Super Choi** our Choisir two-year-old will resume pre-training shortly hoping to be a part of the Autumn riches. This guy showed some potential when last in work and it is hoped he carries on where he last left off. Our other two-year-olds **Royal Charades** continues to do well and is scheduled to arrive into Mick's shortly for a look at city life while our injured **Belara** is making steady progress in her rehabilitation and the picture for her looks a lot brighter than what it was six weeks ago. She has made significant improvement, and all members will continue to receive regular e-mail updates on her progress.

La Bella Dame In Foal!

Yes this mare has done it again and is officially in foal to stand out first season sire Choisir with a foal due around 20th September next year. Four times this mare has been served for the perfect record — a terrific achievement! Her Johannesburg foal, a colt, is doing exceptionally well and is considered a cracker by those at Middlebrook

Flying Spur x La Bella Dame filly
